

FOIA APPEAL

04/17/15

National Freedom of Information Officer

U.S. Environmental Protection Agency

1200 Pennsylvania, Avenue, NW (2822T)

Washington DC 20460

The reason why I appeal the FOIA denial to provide me with spray information for my home located at (b) (6) and for spray info. for (b) (6) the neighbor (see FOIA request) is that the LCMCD agency simply has the information. 2. FOIA denial letter p92
3. I reside at (b) (6)
4. My principal place of business is at (b) (6)
5. My principal place of business is in the U.S
